NOTICE: Changes for Real Estate Salesperson Exam Candidates

Effective August 25, 2020 the Bureau of Professional Licensing transitioned from our old licensing system (COLA) to the new Michigan Professional Licensing User System (MiPLUS) for Real Estate licensees. As a result of the transition, applications for licensure must be submitted online at www.michigan.gov/miplus.

Real Estate Salesperson exam candidates will no longer receive a Michigan Real Estate Exam Candidate (MIRE) email from the Bureau of Professional Licensing. Instead, they will receive an email directly from our testing provider, PSI Online, that contains their Exam Candidate ID number. Exam candidates should check their SPAM or Junk Mail folders in the event the email is not received in their Inbox within 24-48 hours after approval is granted.

Additionally, PSI has established a dedicated telephone number for Michigan exam candidates at (855) 579-4635.

We ask that you please share this information with prospective applicants.

Sincerely,

Licensing Division
Bureau of Professional Licensing
